Opis produktu

Japanese legends **BORIS** are celebrating the 20 Year Anniversary of landmark albums **PINK** and **dronevil -example-** with special deluxe reissues out October 17th!

The 20th anniversary deluxe reissue of **BORIS'** classic album **dronevil**, available for the first time since its original release - two different albums of soaring ambient space and frenetic headbanging Rock n' Roll meant to be played at the same time, this new edition is a joint 2xLP mix available for the very first time on vinyl!

□dronevil -example-□

2-LP / Digital Streaming Available

The original release was based on the concept of playing two separate records simultaneously. This **-example-** version features a stereo mix of the paired tracks, creating a reference "example." The single "a bao a qu," also released 20 years ago, has been mixed with drone disc material and added as a bonus track.

01. loose x red
02. giddiness throne x evil wave form
03. interference demon x the evilone which sobs
04. a bao a qu -dronevil mix- (bonus track)

Release date: October 17, 2025
