Opis produktu

Norway’s avantgarde Black Metal innovators BORKNAGAR celebrate the 25th Anniversary of their self-titled debut album. Back in 1996, “Borknagar” saw mastermind guitarist Øystein G. Brun join forces with like-minded musicians from Enslaved, Gorgoroth, Arcturus, Immortal and Ulver with the goal of rupturing the peripheries of what was then deemed “traditional” Black Metal. This “Borknagar (25th Anniversary Re-issue 2021)” edition comes as Digipak 2CD and as Gatefold 2LP on 180g black vinyl with a careful remaster of the 10 album songs, a makeover for the original artwork, a disc full of previously unheard bonus material, exclusive photos and profound liner notes, making it the definitive version of a pioneering Norwegian Metal classic!
