Opis produktu

BORN FOR BURNING was formed by Mickael Broberg (also vocalist in **UNANIMATED**) in 2012 as a homage to the legendary **BATHORY**.

In 2013, he wrote and recorded the first three songs, where “Destruction Eternal” ended up on a (now sold out) compilation LP put out March 2014 by Critical Mass Recordings.

The track was well received, and the label offered Mickael to release the other two songs as a 7-inch single, which was released in April 2014.

Now, five years later, the time has come for **BORN FOR BURNING** to unleash the first full length album! Entitled “The Ritual”, the album is an instant black metal classic, featuring over 38 minutes of brand new music – while at the same time sounding like the early 80:ies albums from **BATHORY**.

The vinyl comes in two variations; *Black vinyl* (unlimited) and *Blood Red* (100 copies only. *SOLD OUT!*). Both editions comes in a deluxe matte jacket, two-sided insert and poly-lined inners.
