Abhabaniyastral Samsarimplication is the consequence of ineliminable yogisolationary practices and meticulous exploitation of primal sanatana knowledge filtered through rashayanic paleo-enzymes, unfurled onto the synapsidal slavo-gynarchy. Palindromic primordial manifestations, exponentially multiplicative kama-tantras and eschatological hadean enlightenment is concentrated, culminated and adulterated is inscribed through autonomous oscillations and cyclic dev-monic acharita resolute to nauseate the frail and fragile but, entice the superior in the perpetual quest to administer the shashbhyatatvyic mastery Vishvabhuta.
