Opis produktu

Second album by Brutality finally available on vinyl again!

Brutality is a Death Metal band from Tampa, Florida. Formed in 1986 as **Abomination**, the band only recorded one demo under the name before changing it briefly to **Darkness** and eventually to Brutality in 1987.

Originally released by **Nuclear Blast** in 1994, *When The Sky Turns Black* hasn't seen a vinyl release in nearly a decade, so it was about time this soundtrack to the end of the world is available on vinyl again!

"The sophomore album stands out from the crowd with its slightly unhinged vocals, alien guitar solo squeals, and a hint of Black Metal/Euro-scene influence with its inspired use of tremolo riffing and eerie interludes. " **-Metal Academy**

When The Sky Turns Black is available on **Svart** exclusive transparent yellow/red marble vinyl and classic black vinyl. Release date October 27th.
