Opis produktu

Almost 10 years after their latest release, BURIALKULT, Canadian black metal formation from Victoria (Canada) is back with a new offering called "Infernal Death Manifest" ! A devastating hurricane of old school black metal enhanced with thrashy riffs and relentless drums, all sublimated by the hateful vocal howls of lead singer Phlegathon. Definitely a perfect addition to the discography of any fan of old-fashioned underground black metal hatefulness! 2022 Drakkar Productions release
