### Opis produktu

Re-issue of the EP - Aske by the Norwegian black metal solo project Burzum!

Aske (Norwegian for Ashes) is an EP by Norwegian black metal solo project Burzum. Recorded in April and August 1992, and released in March 1993

Early Black Metal from Count Grishnack defines some of the characteristics of the genre although simple, and often suffocatingly feral with ghoulish distorted screams garbling any message but the mood: sadness. The music evokes a dark and emotional despair that is suppressed fear within human existence.
