#### DESCRIPTION

**BRAND NEW ALBUM FROM THE BLACK METAL LEGEND BURZUM!  
FANTASTIC 180 GRAM VINYL EDITION (SEE BELOW FOR PRESSING DETAILS).**

Fallen is the 9th studio album from Burzum, and follows the highly critically acclaimed 2010 release Belus which put Burzum straight back at the top of the chain as one of the most innovative and creative metal artists of our time. Fallen follows Belus in sound and structure, and can also be compared to the music on the groundbreaking DET SOM ENGANG VAR. Fallen is more dynamic and hard hitting than Belus and has an even bigger sound, but still carries the same trademark melody lines throughout that make Burzum sound so iconic and unique. Burzum says of the new album and his style of music: "Musically FALLEN is like a cross between BELUS and something new, inspired more by the debut album DET SOM ENGANG VAR than by HVIS LYSET TAR OSS or FILOSOFEM. The sound is more dynamic we mastered the album as if it was classical music and I was more experimental than I was on BELUS in all respects. Lyric-wise it is similar to the debut album, in the way that it is more personal and focuses on existential issues, but the mythological undertone known from BELUS is still there. I have also included some ambient tracks - a short introduction and a longer conclusion."
