Opis produktu

We are really thrilled and excited to announce a new band joining the BlackSeed Production cult.

Emerging fom the depths of Yahannam, the black and acrid fumes of the Cadaveric Messiah reveal the upcoming darkness and malevolence. In total worship to Abrahamic demonology and dark kabbalistic esotericism, CADAVERIC MESSIAH will release their fourteen minutes debut EP “Into The Putrid Fumes Of The Abyss” under our sign in form of a seven inches vinyl. Hailing from Colombia (South America), this obscure act vomits a high calibre dosis of unrelenting Death / Black Metal over a moribund scene.

Featuring members of Funeral Vomit and Crucifixor, Cadaveric Messiah initiate with this recording their perambulation into the left hand path with contrivance.

Released in old styled 7"EP limited to 300 copies.
