Opis produktu

Digipack CD

Comes in a 4-panel digipack with a 2-page insert. First batch comes in black polycarbonate CD.

CAILLEACH CALLING is a soul-stirring progressive and atmospheric Black Metal band formed Spring 2021 in California by guitarist/bassist/synth-player *Tony Thomas* (**DAWN OF OUROBOROS**, **BOTANIST**) and vocalist *Chelsea Murphy* (**DAWN OF OUROBOROS**).

In Gaelic mythology the Cailleach is a divine ancestral hag at the source of storms and winter. Debut album "***Dreams Of Fragmentation***" is similarly tempestuous: bolstered by a propulsive drum performance from *Yurii Kononov* (ex-**WHITE WARD**) these 4 intensely dynamic tracks fuse trancelike Emperial bludgeon with dreamlike melodic ambience, countering vocals of tether-end savagery with emotive, ethereal intimations of deep space.
