Opis produktu

Light rosé 12" vinyl (33 rpm) in jacket with double sided insert.
Limited to 500 copies worldwide!

Turning a classic album title such as ENTOMBED's 'Left Hand Path' into a weedy phrase would normally be punishable by having to listen to the worst of MODERN TALKING on continued play. Yet CANNABIS CORPSE not only get away with it, but the death metal and pot aficionados are actually doing exactly what their massive following is happily demanding of the Americans. CANNABIS CORPSE are doing once again what they are best at and hammer out a perfect death metal album that combines straight-to-the-point songwriting with technical prowess. Time to fly high again with 'Left Hand Pass'!

For fans of Cannibal Corpse, Obituary, Autopsy, Benediction.
Artwork by Pär Olofsson.
