Opis produktu

CANNABIS CORPSE’s latest strain of weed-metal is another potent dose of bong ripping brutality laced with tasty riffs, vicious drumming, and powerful THC. With a title inspired by CRYPTOPSY’s seminal album, ‘Nug So Vile’ is a horrifying look into the mind of a hardcore marijuana abuser with the demented fantasies of a reefer addict fully on display. The record is more than just a mere follow up to 2017’s ‘Left Hand Pass,’ but rather serves as a solid companion piece, seamlessly picking up right where the band left off.

Including the bonus track "From Enslavement to Hydrobliteration"!
