## Opis produktu

**FANTASTIC RE-ISSUE OF THIS CLASSIC OF AMERICAN DEATH METAL!**

Super-Heavy Floridian Death Metal! This is the kind of stuff you listen to with the lights on. Not that it's easy to be scared. As the words are churned and ground to mere vocal road kill of their former selves by Chris Barnes (lead-singer). Hammer Smashed Face, the long out of print first EP by Cannibal Corpse released in 1993 through Metal Blade Records, is now available on CD, cassette and 12" vinyl formats. The seminal release features the beloved title song "Hammer Smashed Face" which was famously featured in the 1994 comedy Ace Ventura: Pet Detective, along with killer covers of songs by Black Sabbath and Possessed. This is worth a place in any good Death Metal collection!
