Opis produktu

Jewel case with 16-page booklet.

The Dutch masters of horror are back with their most flamboyant album so far. On ‘Dance and Laugh amongst the Rotten’, CARACH ANGREN are painting musical pictures that easily combine the grandiose depth of a Rembrandt with Van Gogh's maelstrom of whirling colours and the utter madness of Bosch. This lusciously seductive danse macabre will drag you in and never let go. This fifth full-length album tells the story of a girl playing a little too long with her Ouija board. CARACH ANGREN definitely pushed their unashamedly theatric style to new intense heights.

For fans of DIMMU BORGIR, SEPTICFLESH, CRADLE OF FILTH, ARCTURUS.
