Opis produktu

CD in Jewel Case with 20 page booklet.

When cold sweat slowly trickles down your spine, goose-bumps crawl over your skin and your heart skips a beat as fear grips your throat in a firm chokehold then you have entered the realm of horror.
CARACH ANGREN set out to claim the throne of this dark domain with their fourth full-length 'This Is No Fairytale'. The Dutch masters of horror metal have honed their weapons to sharp perfection. Flamboyant orchestral madness contrasts eerily with the icy buzzing of black metal inspired riffs coalescing into haunting melodies.
Fiercely rasping vocals and the mercilessly rattling drums whip a terror-filled storyline forward into the waiting darkness.
CARACH ANGREN once again step into an even more sinister dimension than before and even surpass the war-ridden nightmares portrayed on previous album 'Where The Corpses Sink Forever' (2012).
CARACH ANGREN are ready to unleash the demons again in a dark tale of devilish witchcraft: 'This Is No Fairytale' is bound to put a spell on you and will continue to haunt your stereo for a long time to come.

For fans of DIMMU BORGIR, SEPTICFLESH, CRADLE OF FILTH, ARCTURUS, DARK FORTRESS.
