### Opis produktu

This summer, furious old school mastery returns to Dark Descent Records in the form of Castrator's long-awaited debut album *Defiled in Oblivion*. Nearly seven years have passed since their *No Victim* EP set the scene aflame... yet these were mere warning shots across the bow.

With their third release to date, the New York four-piece have perfected their blend of fierce old school USDM to a fault. More uncompromising and ruthless than ever before, Castrator's zero-fucks-given approach rips and shreds across 9 hypnotically violent new tracks (alongside a cover of Venom's *Countess Bathory*) and make *Defiled in Oblivion* a release to be reckoned with. Boys club beware!

released July 29, 2022

Cover art by Jon Zig

Guest appearances by Dan Gonzalez (Possessed/Gruesome), Obituary (Kenny Andrews) and Moises Kolesne (Krisiun)
