### Opis produktu

Relapse Records proudly announces the 25th anniversary reissue of **CAVE IN**'s monumental *Jupiter*. Named one of the best metal albums of the decade by Decibel Magazine, *Jupiter* marks a significant shift in **CAVE IN**'s musical direction that sees the band embark on a post-hardcore space odyssey. Perhaps the finest record of **CAVE IN**'s storied career, *Jupiter* sounds as fresh and as vital as ever.

*Jupiter* is available as a standalone LP, as well as a deluxe 2xCD and 3xLP box set, all remastered by James Plotkin. The 2xCD includes the full album alongside a special live set recorded exclusively for broadcast on Boston's legendary rock radio station WBCN in October of 2000. The deluxe 3xLP box set, available exclusively via Relapse.com, includes *Jupiter* demos and the WBCN radio session.
