Opis produktu

- Debut full length from US Barbarians Caveman Cult

CAVEMAN CULT deliver their debut full length album “Savage War Is Destiny”; 32 minutes of relentless filth. Absolutely no mercy. A barbaric display of bestial black metal and old school death metal with a heavy South American influence.

“Savage War Is Destiny presents 11 blistering tracks of war metal with stronger production giving a bigger and more all encompassing sound while still keeping it savage and raw. Barbaric drums pummel – never more apparent on La Eternia Guerra Sangrienta. Guttural vocals seethe and growl away. Beyond distorted guitar shreds bestial, atonal grooves. Ugly. Caveman Cult are your soundtrack for the end times and Savage War Is Destiny shows this band is only getting better. “ – bostonhassle.com
