The second album of CELESTIAL BLOODSHED is a whole other chapter of the band, closing down everything after the sudden death of Steingrim Torson, a tremendous loss of an extremely important individual for all of us on so many levels. These songs were made with him but recorded without him, still His presence reeks throughout from start till finish, and naturally so as the album closes with a track he sings on.

Fantastic release finalized with help from E.Blix, Hoath Torog, Sarath and the band which was;

W - Bass/Guitars/Vocals
H.Tvedt - Guitars/Organs
Tiller - Drums
S.T. - Vocals (RIP 2009)

Ad Astra, Per Aspera!
