Opis produktu

Following on from their cult debut *Screams of the Violated*, soon to be reissued by HELLS HEADBANGERS, *Orgies of Abomination* sees these Portland sleaze-bangers perfecting their vile, violent craft. Fittingly titled, *Orgies of Abomination* is a veritable smorgasbord of lyrical depravity, ably backed up by filthy, feral thrash metal that equally nods to '80s German proto-black, San Francisco speed metal, and even South American proto-death, all done with devilish glee. These songs stick in your head, and then CEMETERY LUST explodes right out of it, cremating all party-thrash pretenders. Right from the beginning until the bloody end, CEMETERY LUST demand you partake in *Orgies of Abomination*!
