Opis produktu

Hailing from the fertile Portland, Oregon scene, CEMETERY LUST perfected their style of '80s-leaning thrash/speed/death metal over the course of four demos, and then dropped the bomb that is Screams of the Violated as their debut album. Honoring the ancient ways without being mere retro-retread, the band nods equally to both old German thrash as they do the early San Francisco speed metal scene, as well as integrating a fair bit of South American proto-death, altogether making for a quick-hitting yet extremely catch slab of good, dark fun.
