### Opis produktu

We are proud to announce our partnering again with legendary Mexican death metal act, CENOTAPH, to reissue their classic "The Gloomy Reflection Of Our Hidden Sorrows" album as a stand alone LP.

Obscure and unique, eerie atmosphere laden death metal. LP layout is designed after the original 1992 release, mastered from the original DAT tape and taking elements from the original layout with attention to detail, even down to the logo and typeface for a touch of nostalgia. Also included will be tons of classic band photos and a brand new interview! 11" x 17" Foldout poster included!

100 copies will be on ice blue side vinyl.
