Death/Thrash/Black

"Brutal" is finally back on vinyl, offering a hard-hitting and unapologetic journey through the depths of raw, classic death metal. Originally released to critical acclaim, this album captures the essence of the early 2000s metal scene with powerful riffs, relentless energy, and a sound that's as aggressive as it is authentic. Chaosbreed, featuring veteran musicians from renowned metal acts like Amorphis and Sentenced, is known for their precision and unfiltered intensity, qualities that have earned them a devoted following. Black Vinyl LP.
