Opis produktu

Their first demo ‘Brutal Violation’ was released in 1990. Second demo ‘Beyond Reality’ was recorded and released in 1991. Both demos gained the band a cult following in the death metal underground. The rather complex extreme metal was highly appreciated among fans and led to a two album record deal. This album ‘Beyond Reality / Brutal Violation’ is remastered by Tom Palms (guitarist in Phlebotomized, remasters of Sinister, Infernal Majesty amongst others) and contains 10 tracks.
