Housed in a 4 panel digipak

As the vocalist of Belgian post-metal collective **AMENRA**, Colin H. van Eeckhout is known for his ability to connect with listeners, and to guide them on **AMENRA's** transformative path to healing. With his solo work as **CHVE**, he gets to tell his own story – one that aims to take the listener deep within themselves, to tap into something primal that dwells in us all. Now, **CHVE** makes his Relapse Records debut with his powerful solo record, **Kalvarie** – a dark, ritualistic, and atmospheric experience.

For Colin, **CHVE** and **Kalvarie** represent the opportunity for full creative freedom: to experiment with sound without any limitations, and to embrace the vulnerability that comes with creating alone. The hypnotic music of Kalvarie is almost mind-altering, as the droning repetitions of the hurdy gurdy, various percussions and effects meld with the soft otherworldliness of Colin's voice throughout a single, 15 + minute track titled "Eternit". Though not in the metal realm, the music contains a weight and heaviness on a par with that of **AMENRA**.
