Opis produktu

White 12" vinyl (33 rpm) in deluxe jacket printed on the rough side of the board with 4-page insert.
Limited to 300 copies worldwide.

Unyielding darkness and brutality emerge from the deep south of the United States.
Atlanta based quartet CLOAK blend the sounds of black metal, rock n’ roll, and homegrown Southern sludge to create their own unique and menacing sound. While rippers like “On Poisoned Ground” and “Into the Storm” deliver a fury of soulful aggression, songs like “Lifeless Silence” and “The Fire, The Faith, The Void” offer a darker, gothic essence, ultimately displaying CLOAK’s multi-faceted and dynamic musical diversity.
So, raise your fists and set fire to the world; this is 'The Burning Dawn'.

For fans of WATAIN (later), TRIBULATION, DISSECTION, IN SOLITUDE.
Artwork by Adam Burke.
