Opis produktu

Silver vinyl in Redesigned LP jacket

CLOAK have named DISSECTION, DEEP PURPLE, and FIELDS OF THE NEPHILIM as main influences, but their harsh yet groove-fuelled sound has invited critics to draw comparisons with such acts as TRIBULATION, WATAIN, and YOUNG AND IN THE WAY. Their debut full-length, 'To Venomous Depths' is a perfect amalgamation of Nordic black metal with catchy hooks and melodic rock.
And while the Americans are not claiming to be reinventing the wheel, their outstanding song-writing is catapulting this album to the top.

For fans of WATAIN (later), TRIBULATION, DISSECTION, IN SOLITUDE.
Artwork by Adrian Baxter.
