Japan’s **COFFINS** return with their 5th full-length album ***Beyond the Circular Demise***. Recorded and mastered at Noise Room Studio, Beyond The Circular Demise encompasses all of the death and doom that has defined COFFINS and their career as the underground’s torchbearers for over 20 years.

No frills, no trends, no fashion. This is **COFFINS** at their most unforgiving and uncompromising. Bone crushing riffs are set against pounding war drums, while hallowed screams preach fire and brimstone. Tracks such as “Forgotten Cemetery”, “Impuritious Minds” and more, highlight ***Beyond the Circular Demise*** as one of the band’s cornerstone releases. Featuring album art by the legendary Chris Moyen (Incantation, Blasphemy). Prepare for total death!
