Opis produktu

Entitled Deformity, COGNITIVE’s sophomore full-length was recorded at Full Force Studio by Joe Cincotta (Suffocation, Internal Bleeding, Dehumanized) and mastered at West West Side Studios by Alan Douches (Cannibal Corpse, Converge, Black Breath, Mastodon et al), and boasts nine tracks of unrepentant heaviness. Combining technicality, guitar solos, grooves, and abstract ideas within their songwriting, COGNITIVE is continually pushing it self to think outside of the proverbial box while maintaining an organic and unapologetically brutal edge.
