The second coming of Convocation brings us the finnish Doom Death band (feat. members of Desolate Shrine and Dark Buddha Rising) at its bleakest and most majestic peak.
Ashes Coalesce is an album of contrasts and confusion, beautiful yet horrifying.

“If CONVOCATION debut was a foggy yet claustrophobic dive into the abyss, this new album sees them reaching out for the surface, only to see the remaining lights fading away on a lost, desperate world.” (Olivier "Zoltar" Badin/Zero Tolerance)
