Producent	**Listenable Rec.**

Opis produktu

CORONER came up with an even more daring, unconventional album in 1993's ‘Grin', which abandoned much of the thrash-based aggression of their early days and focused on challenging dynamics and eerie atmospherics. This move proved too radical even for longtime fans, ironically, and they remain split over the album's merits, some seeing it as a total sellout, while many others consider it the band's greatest triumph.
