Opis produktu

Repress includes additional live material from Corpsessed's 2012 Steel Fest appearance. Terrific sound board recording!

Bone-jarring and chest-crushing; if death had a soundtrack, "The Dagger and the Chalice" would be it. Hailing from Finland, Corpsessed's brand of spine-tingling death metal will not disappoint. Six tracks, 24 minutes, "The Dagger and the Chalice" is pure death metal. No gimmicks, no keyboards, just rotten death metal the way it should be.

If you are still not a believer, check out the unofficial video for the song "Altar of Worms" at this location: http://www.youtube.com/watch?v=4q5ylaZahFU

This release features an eight-page booklet on extra thick matte finish paper complete with art from Alexander "Bad News" Brown.
