Opis produktu

CD in deluxe 8 panel Digipak printed on the rough side of the board

CRAFT embodies the black metal virtue of raw spiritual energy expressed through violent, ripping guitar-work and unholy rhythms enhanced by demonic vocals.
The band has long enjoyed a massive cult status within underground circles, yet also gained strong acclaim and recognition by mainstream metal media and critics.
The Swedish misanthropes delivered another slab of their signature nihilism.
No longer content to simply smash everything, the album delivers a more measured and methodical beating shrouded in a sinister ambiance.
This is the reissue of their 2011 full-length album 'Void''.
