Opis produktu

CRÁNEO emerged from the vibrant city of Medellín, Colombia, in 2016, delivering classic Spanish death metal. Founded to channel the genre's darkest depths, CRÁNEO has remained an unwavering force.

In their inaugural year, CRÁNEO unleashed their first EP, "Oscura Supremacía," igniting a path of sonic destruction that would resonate within the underground metal community.

Building upon their success, CRÁNEO returned in 2018 with their debut full-length album, "Mortis Cinere." This release marked a pivotal moment for the band, showcasing their evolution as musicians and lyricists. With themes exploring social injustices, mortality, and anti-Christian sentiment, CRÁNEO's music became a vehicle for catharsis and rebellion.

In 2024, CRÁNEO is on the verge of releasing its second album, "Del Placer a la Tumba." With each track promising to deliver a visceral assault of unrestrained aggression and raw emotion, anticipation among their devoted fanbase reaches its peak.

Drawing inspiration from genre titans like BELPHEGOR, SUFFOCATION, DEATH, MASACRE, and DEICIDE, CRÁNEO has crafted a sound as menacing as captivating. Their music is a sonic manifesto, channeling a generation's collective anger and disillusionment.

As they prepare to unleash their latest work upon the world, CRÁNEO remains a beacon of defiance in a chaotic world. Through their music, they continue confronting the darkness that lurks within us all, forging a path forward with unwavering determination and unyielding resolve.
