Opis produktu

California's grindcore/death metal misfits Cretin return with their first new material of freakish, extreme metal in over eight years! A perverted homage to the glory days of proto-grind and raw, depraved death metal, Cretin have perfected the lo-fi stylings of Repulsion, Autopsy and early Napalm Death with their highly anticipated sophomore full-length, Stranger. Oozing with violent, buzz-saw guitars, grinding grooves and blasts, a gut-wrenching low end and utterly deviant vocals/lyrics, Stranger will bring a malignant smile to those who prefer their listening sick and twisted.
