Opis produktu

Black triple vinyl (33rpm, 140g) in deluxe printed inner sleeves with soft touch matt laminate, in deluxe 3-panel gatefold with soft touch matt laminate.
First pressing: 1,500 copies worldwide.

Since its 2004 creation by multi-instrumentalist and songwriter Justin Greaves, CRIPPLED BLACK PHOENIX has served as the voice for the voiceless, whether it be animals, the unequal and the different.
Henceforth, CRIPPLED BLACK PHOENIX’s mission has been to shed light on the human condition and the inequalities that befall humankind and its creatures. Their battle marches on with their latest studio album, ‘Banefyre’.
The record is imbued with the depth and introspection that will reinforce CRIPPLED BLACK PHOENIX’s standing as a band that defies genre.

For fans of SÓLSTAFIR, JUNIUS, MOGWAI, PINK FLOYD.
