Opis produktu

Limited Digipak edition including 2 bonus tracks and 8-page booklet, housed in a deluxe slipcase. The Digipak and the slipcase are both adorned with UV spot varnish and matte lamination.

Just like the alloy this album is named after, CRIPPLED BLACK PHOENIX's music is made of metal and non-metal elements. Dark rock forms the base ingredient in the musical amalgamation process, but it is the addition of metal, progressive influences, gothic, wave, even pop, and many other elements as well as a changing cast of musicians that result in each song shining with its own individual hue and tone. Yet a deep sense of anguish, despair, longing, loss, melancholy, and nostalgia forms a binding force that holds 'Bronze' together and formulates an encompassing theme.
