Opis produktu

Originally part of the long sold out MCMXCI-MCMXCIII (1991-1993 Discography) Official 3-LP Deluxe Box Set, the official reissue of he debut masterpiece from Sweden's CRYPT OF KERBEROS, World of Myths LP. Our standard is to always use the original cover art whenever possible. Since the original cover art was so substandard and forgettable, we as well as the band felt in this case, an exception could be made. In keeping with theme with the album, we've licensed probably the most amazing illustration from the Cthulhu Mythos entitled "The Call of Chtulhu", illustrated by renowned artist and special effects wizard Tom Sullivan, best known for artwork and design for the "Book of the Dead" from "The Evil Dead Trilogy" as well as being an illustrator for Chaosium Inc.

Presented on a 350 gram sturdy, semi-gloss gatefold jacket, with inner illustrations by the equally amazing Ian Miller (Bolt Thrower - Realm of Chaos, Warhammer, Games Workshop) For this release, complete lyrics are included. 2 sided insert with classic band photos, band bio and new liner notes by Mattias Borgh.

Limited to 175 copies on magenta / aqua vinyl!
