Opis produktu

Whilst not commonly known as an extraterrestrial hotspot, *Leeds* (United Kingdom) faced an encounter of another kind, as 2015 saw *Xander Bradley* (Vocals/Guitar) and *Ryan Sheperson* (Drums) set out to accomplish a project embodying their joint passion for the art of science fiction and heavy metal music. With *CRYPTIC SHIFT* taking form as a crossover between the worlds of *Technical Thrash / Death Metal* and all things *Sci-Fi*, the two set out to spread their influence across the UK, and soon venturing across the globe.
