Opis produktu

Second album, had been asked to appear on both Top Of The Pops and The Old Grey Whistle Test, in the same week after the release of Nature Unvied, half of it was recorded at Roundhouse Studios. Squats were calling, and 8-track studios were all to afford. 12" vinyl picture-disc comes in a full-colour die-cut sleeve, which is printed on both the outside and inside. This is one of the first 4 reissues of the entire back catalogue of C93 on picture-disc limited to 1,000 copies, and the titles will not be repressed as picture-discs once they have sold out.
