Daemonium Regni (SWE) – Daemonium Regni

Ominous, sombre and foreboding...

The new solo-project from Micke Broberg (UNANIMATED).
Dark and epic Black Metal for fans of ROOT, BATHORY or ANCIENT WISDOM.

As the notes of the album’s opener crawl out of the speakers; slowly but steadily spreading and paving its way like black lava, the atmosphere thickens with unsettling dread and bleakness. The 8 tracks which together constitute DAEMONIUM REGNI’s eponymous album feel like a liturgy charged with foul energy held in the service of darkness and perdition.

Proficient arrangements with different layers added on top of repetitive riffs and all instruments very competently performed by the band’s sole member turn *Daemonium Regni* into an intriguing listen. The vocals and the way the exclusively Latin lyrics are intonated play a major role in the album. Mixed to the foreground and in equal measure performed as demonic growls as well as in the form of sombre chanting, the vocals make all the difference in this album.

Daemonium Regni not only marks DAEMONIUM REGNI’s first full length, as a matter of fact, it is the band’s very first sign of existence. Mickael Broberg, its sole member is anything but a newcomer, though. Mostly known as the singer of UNANIMATED he has been involved in various bands and projects throughout the decades. Darkness Shall Rise are very proud to introduce you to his latest and possibly darkest band DAEMONIUM REGNI.

Let the demons enter!
