Producent	<b>Nuclear Winter Records</b>

### Opis produktu

Philly's Daeva (da-ay-vuh) harness their shitty guy mentality, sharpened over many years and many beers to an acidic burn, and pour it into their debut MLP 'Pulsing Dark Absorptions', a snarling beast of Black/Thrash discord. For fans of Aura Noir and Destroyer666. Originally released on vinyl by 20buckspin, available for the first time on CD.
