Opis produktu

WAXGOAT130 Danaknernacht (USA) "...and the Knives Cut Down the Weak" - LP

Harsh and desolate analogue black metal, purely improvised yet strangely symmetric and structural, Danaknernacht slit through the stillness of night with dreadful malignancy and hatred toward human race. An anonymous of one of the most prolific musician behind several Black Metal, Power Electronic and Noise project. Previously issued on cassette through Darkness Attack, GoatowaRex now bring this short yet hateful piece of black metal on vintage black gold, with demo The Wind of Hate Arises... on B side.

Available on 180g black vinyl housed in finely crafted gatefold jacket, and OBI stripe. Limited to undisclosed amount of copy.
