### Opis produktu

The final installment of Danzig's epic heptology of crushing heavy metal masterpieces! Danzig ended the seven-album series on a high note, earning some of his best reviews in years with LA Weekly calling the album "Controlled, relentless darkness and passion. Great song after great song." and Blistering saying "There isn't a weak moment on the album. This one has got it all". Highlights include the two singles, "Wicked Pussycat" and "Kiss The Skull," as well as the album's ominous closer "Without Light, I Am!". This is the final album to feature drummer Joey Castillo as a member, who would move on to join Queens Of The Stone Age!"
