### Opis produktu

**PŁYTA POWINNA BYĆ DOSTĘPNA GDZIEŚ W POŁOWIE MAJA !!!**

Reissue of Danzig's Circle of Snakes! Prepare for another crushing reissue from dark metal god, Danzig! Originally released in 2004, Circle Of Snakes saw the return of the stripped down sound of early Danzig albums and earned high praise from both critics and fans! This is the first studio album to feature longtime touring guitarist Tommy Victor of industrial thrashers Prong! This album is also noted for its intensely heavy guitars as well as well-rounded vocals that showcase Danzig's rich baritone!"
