Opis produktu

Celebrate the 30th Anniversary of raw power and darkness with Dark Funeral's reworked debut self-titled release. An exclusive collector's edition designed for true Black and Extreme Metal aficionados. Featuring new re-recorded versions of their sinister anthems! Produced and mixed by David Castillo at the Ghostward Studios (Dark Tranquillity, Opeth, Whitechapel, etc.) and mastered by Thomas "Plec" Johansson (Mayhem, Soilwork, etc.). Find rare material from the band's ominous beginnings in 1994 — an ultimate rendition and must-have for devoted disciples of darkness! This commemorative edition will be available as a CD Jewelcase, a unique and very limited, hand-numbered transparent Blue-Black Marbled LP, along with the digital album.
