Opis produktu

After the success of “Vobiscum Satanas”, released in 1998, Dark Funeral went through some lineup changes and released an interlude, in 2002, which has become a classic EP. Contains a new track - “An Apprentice Of Satan” - and four covers of King Diamond, Slayer, Sodom and Mayhem! This new reissue, for the first time in digipak format, will bring back memories and the glory of the black metal years!
