Opis produktu

Approaching nearly 30 years since the beginning of their journey as one of Swedish Black Metal’s most genuine and unvarnished exemplars, Dark Funeral continue to reach for new heights to bring audiences into its otherworldly & unholy visions on the band’s seventh full-length LP, ‘We Are The Apocalypse’. The new record sees the Satanic vanguards deliver their most aggressive and expansive songs to date. Guided by the fortitude and musical ambition of lead guitarist, songwriter & founding member Lord Ahriman, the new album promises a satisfying number of ‘firsts’ for the band, while still pushing to improve upon the aural marriage of sinister atmosphere and technical ferocity that distinguishes Dark Funeral amongst their peers.
