Opis produktu

On "Nomad", their seventh full-length album, DARKESTRAH venture further on their chosen path of Epic Shamanic Black Metal. Sharp Black Metal riffing and traditional Central Asian melodies, verses from Kyrgyz epic poetry and visions of spiritual quests are all woven into the fabric of this new opus.

With a new line-up consisting of long-term veterans and fresh blood the Band has never been in better shape.

Darkestrah are back on track and with Osmose Productions!
Killer recording, mixing & mastering by Andy Schmidt at Echolux studio!
