Opis produktu

Originally released in 2004, Sary Oy is the second album by Darkestrah, a band known for blending epic black metal with Central Asian folk traditions. Building on their debut Sary Oy, this release marked a major step in defining their signature sound: sweeping compositions combining harsh black metal, traditional Kyrgyz instruments, and shamanic atmospheres. Lyrically rooted in Tengrist spirituality and Kyrgyz folklore, the album fuses sweeping compositions combining harsh black metal, traditional Kyrgyz instruments, and shamanic atmospheres.

A deeply atmospheric and spiritual journey, positioning Sary Oy as a cornerstone of the band's discography.

This reissue comes with a remaster sound and an updated layout.

Re-issue, 200x milky clear 12" 140g vinyl in a microtene innerbag, printed innersleeve on 220g carton, (coated paper), download card, simple jacket, full-color printed on 350g carton, coated paper (semi-gloss), all assembled in a plastic overbag.
